Please Note:

EPS: Nine months and Q3 (Three months) EPS have increased to BDT 4.00 and BDT 0.97 from BDT (3.10) and BDT (1.29) respectively. This increase is primarily due to higher non-operating income for the nine months and Q3 (Three months) of BDT 271,675,698 and BDT 59,446,459 respectively. However, a significant downturn in demand in the construction sector, political unrest throughout the period, and disrupted supply chains adversely affected the gross profit margin of the current reporting period.
